FROM THE EAST

Brethren,
Welcome to the new Trestle-Board! It was time for a new look and Bro. Matt Halstead has graciously accepted to serve as our new Editor and Publisher. I have full confidence in Bro. Matt's abilities to deliver a product consistent with the standards of excellence that I have set for our Lodge during this upcoming year. Enjoy!

Once again, just as we had almost mastered the ritual and responsibilities of our respective positions, a new cycle begins! I would like to humbly express my gratitude to all the members of Cape Coral Lodge for the trust and confidence you have bestowed upon me by electing me Worshipful Master for 2010.

I am surrounded by great officers and Past Masters who are also my friends and brothers. Anything I do right will be thanks to their support; anything I do wrong will be my fault alone. It was both humbling and gratifying to observe the ease with which Cape Coral Lodge No.367 elected its officers for the New Year. Now the labor begins! Fiat Lux

Fraternally
and respectfully,

H. F. "Herm" Cardona
Worshipful Master

FROM THE WEST

Brethren,
I wish to express my gratitude for the chance you have given me to serve as Senior Warden in 2010. A new year is upon us and it brings with it new opportunities for the growth and development of our lodge and a chance to build on the firm foundation we already have.

I know Bro. Herm, W.M., will have many ideas to shake things up to keep brothers on their toes for a revitalized and energized lodge. Committees are already formed for the year and it is my express hope that all interested brothers will take part in the discussion and planning that will prove vital to our success in 2010.

My personal focus this year will be directed at improving our long term financial strength and utilizing the resources we have to increase not only our membership but our activities and stature within the community. The past couple of years have brought many hardships to many of our brethren and our community as a whole.

It is now more vital than ever that we enter into 2010 with a can do/never die attitude and help set the stage for our entire community going forward.

I highly recommend that all brothers take part in the planning and discussions that will be taking place the next couple of months.

Four things come not back: the spoken word, the sped arrow, the past life and the neglected opportunity.

- Arabian Proverb

Fraternally,
Matt Blaisdell, Senior Warden

FROM THE SOUTH

Brethren,
I'm looking forward serving you. This year we are going to try to alternate between breakfast and dinner every month. Our first dinner will be Saturday Feb. 6th at 6:30 PM. We will be having chicken parmesan, meatballs, and marinara with pasta, vegetable medley, salad, garlic bread, and dessert.

Fraternally Yours,
Jonas Rapanos, Junior Warden
